

## Wall rosette

### for MIS building entries

# WAR 90/100 1x63+2x7 EPDM50

: 5060110603, GTIN: 4052487236263

The solid rubber rosette neatly connects a media line with  $\emptyset$  63 mm to the inside of the building. Thanks to its outer segment ring, it can used in core drills ID 90 mm and 100 mm.

#### **Advantages:**

• Segmented ring technology for adaptation to the core drill

#### **Dimensions:**

- OD: 90/100 mm
- For media pipe OD: 63 mm
- Additional openings for: 2 x 7 mm pipes

#### **Material:**

• EPDM
