

# Foundation pipe

for street lighting poles

HFR300 I600 1x85/400

: 915000100, GTIN: 4052487023658

- The length of the foundation pipe and the position of the drill hole/cable entry can be freely selected

Ideal for street lighting poles and a cost-effective alternative to conventional formwork.

## Advantages:

- Stable, ribbed plastic pipe
- Light in weight so easy to handle
- The poles can be erected at any stage of the building process and damaged poles can be replaced easily

## Properties:

- PE cover to protect against dirt and soiling is available as an accessory

## Material:

- PVC
