

# Repair sleeves

## in hot shrink-fit method

### WSMR I250 2x34-10

: 350010000, GTIN: 4052487010337

For sealing cables already laid with system cover socket or sealing empty conduit end to cable.

#### Advantages:

- Wide area of application/shrink range
- Split design for retrofit installation in break-throughs for media lines that have already been laid
- Can also be used to clad damaged cable sheaths

#### Material:

- Thermal sleeve with hot-melt adhesive: polyolefin
- Sealing rail: metal
