

Sleeve

seals ADS 100 - FUBO on the earth side

KES110 MA110-125/110-125 WE

: 825817100, GTIN: 4052487120975

Sleeve for sealing the water line at the end of a Hateflex spiral hose 14110. The line can be sealed with the rubber press method in conjunction with the interchangeable insert WE 125-z/d.

Advantages:

- The interchangeable insert is installed after the line has been laid
- The entire cross-section of the empty conduit system is used when cables are laid
- Mechanically stable, elastic connection with system sleeve

Scope of delivery:

- 1 piece sleeve KES-M 110-WE (125)
- 2 pieces clamping straps

Application range:

- Waterproof concrete stress class 1

Material:

- Sleeve: EPDM
- Clamping straps: stainless steel V2A (AISI 304L)

Toolset for KES-M

Interchangeable insert
