

Installation fixture

for KES-M....-ZVR.../500

KES FUBO-FIX AV

: 1900500165, GTIN: 4052487165693

Height-adjustable installation fixture to attach floor entry systems KES MA90 ZVR100/500, KES-M 110-ZVR 100/500 and KES MA150 ZVR150/500. A clip system is used to position the floor entry systems. This creates a compact and space-saving entry through the floor slab for power supply cables.

Advantages:

- Joint attachment and positioning of KES- M 90-ZVR 100/500, KES- M 110-ZVR 100/500 and KES-M 150-ZVR 150/500 to enable entry through the floor slab
- Height adjustment
- Side-by-side arrangement possible

Scope of delivery:

- 1 piece Installation fixture with four adjustable earth spikes

Material:

- Steel St37
