

# Universal sealing element electricity

for single-line and multi-line building entry systems

## SDE 1x26-29/36-39/43-46/48-51

: 1560000512, GTIN: 4052487163026

- With segments for maximum area of application

### Advantages:

- Suitable for the most commonly used power cables

### Dimensions:

- Area of application: 1 electric cable OD 20 - 34 mm

### Material:

- Fibre glass reinforced polyamide / EPDM
