

Universal sealing element electricity/communication

for single-line and multi-line building entry systems

SDEK 1x26-30+3x5-8+2x7-13

Article no.: 1560000514, GTIN: 4052487163064

- with segments for maximum area of application

Picture may differ from selected product

FACTS

Advantages:

- For the collective feeding in of power and communication cables

Dimensions:

- Area of application 1 cable OD: 26 - 30 mm, 3 cables OD 5 - 8 mm, 2 cables OD 7 - 13 mm

Material:

- Fibre glass reinforced polyamide / EPDM
