

Fibre cement wall sleeve

split

FZRG250/700

Article no.: 3030358105

Consisting of two half-forms for retrofit sealing of already installed cables or pipes. For setting in concrete or mortar. Outer grooves all round ensure a tight and force-fit bond with the wall.

Picture may differ from selected product

FACTS

Advantages:

- Split design for retrofit installation in break-throughs to seal already installed cables or pipes.
- Suitable for all types of wall
- Ideal connection to the concrete
- Asbestos-free

Application range:

- Waterproof concrete stress class 1 and 2
