

Finger sleeves

in hot shrink-fit method

4FM 1x80-25 4x27-9

: 5170060041, GTIN: 4052487233385

3 and 4-finger sleeves can be used to insert multiple cables into system cover sockets, even providing a means of sealing cables with a small cross-section. Sealing is carried out using the hot shrink-fit method (by feeding in heat).

Advantages:

- 3 or 4 cables can be installed in system cover sockets
- Wide area of application/shrink range

Material:

• Polyolefin

For system cover: HSI150 D3x58

Shrinking range connection side 80 - 25

(mm):

Shrinking range system cover (mm): 27 - 9
