

Universal sealing element electricity

for single-line and multi-line building entry systems

SDE 1x26-29/36-39/43-46/48-51

: 1560000512, GTIN: 4052487163026

Advantages:

• Suitable for the most commonly used power cables

Dimensions:

• Area of application: 1 electric cable OD 20 - 34 mm

Material:

• Fibre glass reinforced polyamide / EPDM
