

# Universal sealing element electricity

for single-line and multi-line building entry systems

SDE 1x26-29/36-39/43-46/48-51

: 1560000512, GTIN: 4052487163026

- With segments for maximum area of application

## Advantages:

- Suitable for the most commonly used power cables

## Dimensions:

- Area of application: 1 electric cable OD 20 - 34 mm

## Material:

- Fibre glass reinforced polyamide / EPDM
