

Cable screw connection

KV PG48 KS

: 334020090, GTIN: 4052487009553

For introducing one or more cables/micropipes in a housing wall.
The sealing of cables/micropipes is via a suitable HRD F b30 press seal, assignment options available upon request.

Advantages:

- Fast and simple sealing of media pipe via cold or heat shrink method
- High degree of on-site flexibility due to large shrinking range

Scope of delivery:

- 1 piece Counter screw
- Sockets
- 1 piece O-ring
- 1 piece Shrink sleeve (either heat shrink or cold shrink method)

Dimensions:

- For housing holes Øi: 60 mm (KV-PG 48) or 76 mm (KV-PG 68)

Material:

- Counter screw and socket: polycarbonate
- O-ring: NBR

Housing bore hole ID
(mm):

60
