

Pressure discharge element

discharge valve for HSI150-DT closing cover

HSI150 DAE

: 2126010170, GTIN: 4052487193504

For controlled discharge of water under pressure in the cable duct system.

Advantages:

- simple installation

Scope of delivery:

- 1 piece pressure discharge element with flat seal

Dimensions:

- g 1/2" coupling

Properties:

- offers connection of hose extension (1/2") on one side

Material:

- connection piece: ABS
