## Fibre cement wall sleeve

## split

## FZRG150/600

: 1802150600

Consisting of two half-shells for retrofit sealing of media lines that have already been laid. For setting in concrete or mortar. Grooves all the way around the outside ensure a tight and force-fit bond with the wall.

## Advantages:

- Split design for retrofit installation in break-throughs for media lines that have already been laid
- Suitable for all types of wall
- Optimum connection with the concrete
- Asbestos-free

## Application range:

- Waterproof concrete stress class 1 , waterproof concrete stress class 2
