

Wall rosette

for MIS building entries

WAR 90/100 1x63+2x7 EPDM50

Article no.: 5060110603, GTIN: 4052487236263

The solid rubber rosette neatly connects a media line with Ø 63 mm to the inside of the building. Thanks to its outer segment ring, it can be used in core drills ID 90 mm and 100 mm.

Picture may differ from selected product
