

Spiral hose system

flexible duct system for MSH/ESH Basic FUBO

Hateflex14078 RMT2000

Article no.: 1551227802, GTIN: 4052487165785

- **Snap-on sleeve for secure, non-detachable connection**

Mechanically stable pressure hose with pull-resistant snap-on sleeve method for connection to the main body of the MSH/ESH Basic FUBO EBTM.

Picture may differ from selected product

FACTS

Advantages:

- The mechanical strength of the spiral hose safeguards a minimum bending radius
- High peak compressive strength

Dimensions:

- Øi: 78 mm

Material:

- PVC

Tightness:

- gastight and watertight to 1.0 bar

FEATURES

Length (m): 2.0
