

Bellmouth Wall Sleeve

for setting in concrete

BWS100/110

Article no.: 827030100, GTIN: 4052487196024

• Easy adjustment to the wall thickness on site – using available cable ducts

For installation flush with the formwork and use of standard press seals.

Picture may differ from selected product

FACTS

Advantages:

- Integrated bellmouth shape protects the cables from damage
- Blind plate for pressure tight seal immediately after concreting
- Trisection division of the blind plate for easy breaking through
- Patch flange for processing polymer modified bituminous thick coatings

Properties:

- Middle flange serves as water barrier
- Lugs for secure fastening to the reinforcement with tie wire
- Nail lugs with break protection for attachment to the formwork

Material:

• ABS

Tightness:

• gastight and watertight to 1.0 bar, right after concreting

FEATURES

D1 (mm):	100
D2 (mm):	110
D3 (mm):	200
D4 (mm):	120
