

System cover

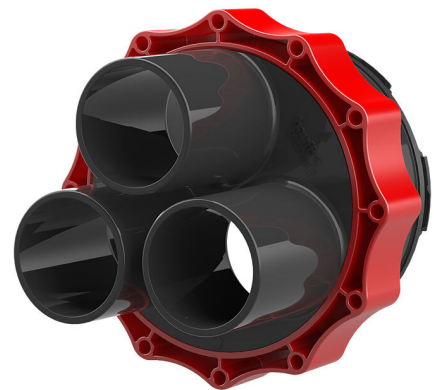

cable seal with hot shrink-fit method

HSI150 D WS

- **Mechanical fixing (bayonet) and seal (clamping nut) act independently**
- **Bayonet system with return lock and locking screw connection (for protection against automatic opening)**

For use in wall insert and plastic flange HSI150. The thermal sleeves support a wide area of application, they are shrunk onto the cables by means of the application of heat from the system cover socket. Empty system cover sockets can be sealed with blind plugs.
